

**REMARKS**

**Restriction Requirement**

Claims 1-17 are currently pending in the application and subject to restriction. The Office communication entered a three-way restriction requirement. Applicant elects the invention designated as Invention I, *i.e.*, claims 1-5 and 8-11, without traverse.

Since claims 6, 7, and 12-17 recite the patentable subject matter of claims 1-5 and 8-11, applicant respectfully submits that claims 6, 7, and 12-17 should be rejoined with claims 1-5 and 8-11 upon allowance.

The application should now be in condition for substantive examination.

If the Office should have any questions, the Examiner is kindly requested to contact applicant's undersigned representative at the address or telephone number given herein.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Tracey Harrach".
